

Australia-Latin America Business Excellence Awards 2017

Origin of the Awards

Since 2002 the Australia-Latin America Business Council (ALABC) and the Council on Australia Latin America Relations (COALAR) have recognised outstanding contributions to the development of Australia's commercial links with the Latin American region through their "**Australia-Latin America Business Excellence Awards**".

Since their inception, the Awards have grown in prominence and have been presented to a broad range of outstanding companies, institutions and individuals, all of whom are connected by their shared commitment to the markets in Latin America and by the success that they have had in engaging with the region.
